

In order to save money and to save the environment, all the forms and information that you will need will be on the Town of Scott website. Townof-Scott.org. **We will need the emergency release form and a permission slip before we can allow your children on the bus.** If you are unable to print these forms you can pick them up at the Scott Town Hall or please contact me. It is very important you read in full, the code of conduct for the program to run smoothly.
